## COMPANY INTRODUCTION

Dear Sirs,

We hereby introduce ourselves **AL AWRAQ AL KHDHRA DECOR CONT. LLC.**, as a well established fabricators and installers of Glass Reinforced Concrete (GRC), Glass Reinforced Plastic (GRP) and Glass Reinforced Gypsum (GRG) works in U.A.E

Since our inception in Sharjah, we have penetrated the market deeply in designing, installing, and maintaining interior and exterior works using GRC, GRP and GRG in the construction industry. In a short span of time **AL AWRAQ AL KHDHRA DECOR CONT. LLC.** has become a unique name in the field of Fiber Glass, Gypsum interior works and in all related works with GRC, GRP and GRG in the U.A.E.

GRC, GRP & GRG application has become an essential decorative part to the construction sector because of its excellent characteristics of mechanical resistance, hygrometric regulator, incombustibility, stability of the structure, UV resistance, non-corrosive, lightness, easily repairable, adaptable to any colour and design, moreover absolutely hygienic under the atmospheric condition. This industry is supported with a strong AutoCAD platform to design any patterns and CNC machines to prepare molds of those challenging patterns.

We have full-fledged and sophisticated factory to carry out any type of GRC, GRP and GRG works. We are supported with highly qualified management team, CAD Designers, Supervisors and Technicians; all having long years of experience in U.A.E. One among our commitments to the mentioned Services is the stringent quality workmanship. Effective project management, successful project completion on time and flexibility in working hours to the satisfaction of our customers are a few among other commitments.

Our expertise and experience in this field, executing many prestigious projects to the best of satisfaction of our clients, makes us fully confident of undertaking any challenging works.

**We are located in Industrial Area-12, Sharjah, U.A.E**
